## From the Founder's Desk.....

Dear Friends,

I am delighted to release prospectus for **10th International Commerce Olympiad 2018**. The zeal of students, their overwhelming rate of success in exams and the increasing growth graph of Commerce Olympiad is the source of our consistent efforts in this direction.

Each year Commerce Olympiad breaks its own records and poses us a challenge to take a giant leap and to venture into new areas. I take it as an opportunity to excel more and I am really blessed to have a wonderful team associated with **CTF**. In this competitive world, Commerce Olympiad helps the students to get widen their vision. It gives them conviction, confidence and clarity of concepts. It sharpens their skills and helps them to identify the areas they need to improve. It also helps them to score better in their board exams and gives them a training for appearing in other competitive exams.

At last I would like to extend my thanks to all the Principals, Commerce teachers and school management whose support and encouragement play an important role in the growth of the Olympiad.

I take this opportunity to thank the core group members for their consistent hard work to make Olympiad a success.

I am looking forward to your support as it is my strength and pride too.

*With warm regards*
