Dear Friends,

I am delighted to release prospectus for **11th International Commerce Olympiad 2019**. Having made a history of success with your wonderful cooperation, CTF is setting 11th International Commerce Olympiad-2019 in motion. ICO has since been accorded a respective place among various competitions the world over. It is incumbent upon us how to raise its level expected of us.

Keeping consideration of **20 MCQs in all subjects** (including Accountancy and Business Studies) by CBSE from the current year onward, ICO-2019 has become more advantageous for the students taking Board Exam in 2020.

“**Quest for perfection**” our motto is of course powered and encouraged by your valuable contributions, which has been a source of designing the modules to enrich the teachers of Commerce fraternity and in turn their students.

I feel proud to mention that each year Commerce Olympiad breaks its own record and poses us a challenge to take a giant leap. I take it as an opportunity to excel more and I am really blessed to have a wonderful team associated with CTF.

It gives me immense pleasure to add that CTF's International Commerce Olympiad is established as **India's No.1 Commerce Olympiad** due to its significant role in guiding the students.

In this competitive world, Commerce Olympiad helps the students to get closer to their vision. It gives them conviction, confidence and clarity of concepts. It sharpens their skills and helps them to identify the areas they need to improve. It also helps them to score better in their board exams and gives them a training of appearing in other competitive exams also.

At last I would like to extend my thanks to all the Principals, Commerce teachers and school management whose support and encouragement play an important role in the growth of the Olympiad.

I am looking forward to your support as it is our strength and pride too.
