From the Pioneer's Desk

Dear Friends,

It is my privilege to release the prospectus for the **17th International Commerce Olympiad 2025-26**. The overwhelming participation in our previous Olympiads reflects our commitment to thousands of students across the country and beyond.

I take pride in sharing that the **Commerce Teachers' Foundation (CTF)** consistently strives for excellence through a variety of initiatives. Among them, the **International Commerce Olympiad** stands as one of our most prestigious and impactful efforts. It is **India's only Olympiad exclusively designed by Commerce teachers for Commerce students**, setting a distinctive benchmark in commerce education.

At CTF, we believe in staying dynamic and moving with the times. We identified a gap as there were limited opportunities for Class X students to assess their competencies in English language and Mathematical skills. To address this, in 2023–24, we introduced the **International Competency Test (ICT)** for Class X students, covering subjects such as **Mathematics, English, General Awareness, and Reasoning** to help make them future-ready.

Encouraged by the overwhelming response to CTF's first ICT, we extended the initiative to Class IX students in 2024–25 and were delighted to receive an equally enthusiastic response.

After a successful journey of 16 Olympiads involving only CBSE-affiliated schools, we have decided to add **CISCE schools** also for the very first time in the **17th International Commerce Olympiad 2025-26**.

In conclusion, I extend my heartfelt thanks to all the Principals, Commerce teachers, and school management teams whose trust and support have played a vital role in the growth of both the Olympiad and CTF.

I look forward to your continued and constructive support.

With warm regards

Dr. Dinesh Madan

Commerce Teachers' Foundation

CTF .. Legacy of 17 Years continues...

THE STORY BEHIND CTF

In April 2007, during the evaluation of CBSE Accountancy answer books at GHPS, Kalkaji, New Delhi, the idea of creating a common platform for Commerce teachers was conceived by Dr. Dinesh Madan. His vision was to establish a platform that would foster the professional growth of Commerce educators. This initiative received strong support from Mr. S. K. Taneja, the then Head Examiner of the subject, and was enthusiastically welcomed by the teachers present. The result was the formation of a dedicated platform to unite the Commerce fraternity. With 21 founding members, this initiative was formally named the **Commerce Teachers' Forum (CTF)**.

A LEGACY OF COMMITMENT AND GROWTH

Over the past 18 years, this organization has been consistently working in the interest of Commerce teachers and students. With over 700 Lifetime Members and more than 10,000 associated members from reputed schools across India and abroad, it has grown into a vibrant community. It is a matter of pride that the organization has established itself as one of India's most promising platforms, dedicated to the continuous growth of the Commerce teaching fraternity and students through numerous pioneering initiatives.

CTF – A NON-COMMERCIAL, VOLUNTARY INITIATIVE

The **Commerce Teachers' Foundation (CTF)** is a registered Trust functioning as a **non-commercial, voluntary, self-reliant, and not-for-profit organization**. It serves as a dedicated platform for enriching the Commerce teaching fraternity.

All collections—whether through subscriptions, memberships, or contributions for initiatives like ICO/ICT—are solely utilized for the growth and development of the organization. These funds are applied strictly towards organizing educational activities as outlined in CTF's preamble. No part of the funds is used for profit-making purposes.

OUR VISION

To build and sustain a strong network of proficient Commerce educators and to nurture academic excellence among students.

OUR MISSION

To continuously enhance the competencies of Commerce teachers and to prepare students to be future-ready.

CTF EXPANDS TO CISCE SCHOOLS

... Launch of ICO & ICT

The **Commerce Teachers' Foundation (CTF)**, since its inception, has been dedicated to promoting professional excellence and innovation in commerce education. With a vibrant network of over 10,000 CBSE commerce educators, CTF has consistently launched impactful initiatives to support teachers and students alike.

We are now delighted to extend this academic platform to the **CISCE community**, marking a significant milestone in our journey. For the first time ever, **ISC schools are invited** to participate in our flagship initiatives — **the International Commerce Olympiad (ICO)** and the **International Competency Test (ICT)**.

Launched in 2009, ICO is India's first Commerce Olympiad — conceptualised by commerce educators, for commerce students. With over **2.75 lakh participants** from CBSE schools across India and abroad, it has emerged as a trusted benchmark for academic excellence.

Now, **ISC and ICSE** students can also be part of this prestigious initiative, gaining valuable exposure and recognition at both national and international levels.

We gratefully acknowledge the extended support of distinguished **CISCE educators**, who have come forward to strengthen CTF's endeavours and played a key role in shaping the ICO and ICT curriculum for ISC students.

We are confident that this expansion will be warmly welcomed by the CISCE community and will set a new benchmark in commerce education.

INTERNATIONAL COMMERCE OLYMPIAD

...A Legacy of 16 Years

Since its inception, the **Commerce Teachers' Foundation (CTF)** has been at the forefront of initiatives that promote the growth and relevance of Commerce stream—both among students and within the teaching fraternity. Among all its efforts, the **International Commerce Olympiad (ICO)** stands out as the most prestigious initiative.

The Beginning of the ICO Journey

The ICO began as a modest experimental venture on **27th November 2009**, conducted at a small scale across schools in Delhi and the NCR. In its first edition, **126 schools** participated with around 6,000 students. We were delighted to see the enthusiasm shown by schools, teachers and students, which gave us the confidence to expand the Olympiad to a national level.

ICO's Remarkable Growth Story

Over the years, the International Commerce Olympiad (ICO) has evolved into a one-of-its-kind academic event, attracting participation from over **2.75 lakh** Commerce students across **1,000+ schools**, spanning **106 cities, 22 Indian states, and 6 Middle Eastern countries**. This phenomenal growth stands as a powerful testament to the unwavering commitment and visionary leadership of CTF.

Empowering Students, Evolving with Time

CTF continually strives for excellence through its dynamic and student-centric initiatives. A significant milestone was the introduction of the **Combination-Based Olympiad** during the 14th ICO (2022–23), specifically designed to aid students in preparing for both CUET and CBSE board examinations. This initiative received overwhelming appreciation from both students and educators, motivating us to continue it in ICO 2023–24 and 2024–25. In **ICO 2025–26**, we are proud to introduce **choice-based subject selection**, offering even greater flexibility to **Class 12 students**. This evolution is a reflection of our forward-looking vision and unwavering commitment to student success.

Awards That Inspire Excellence

As a mark of appreciation and motivation, CTF confers the “Vanijya Shree” award to students with the highest scores and the “Award of Appreciation” to schools with the highest participation in the ICO. These honors serve to inspire academic excellence and recognize outstanding dedicated efforts.

For the year 2024-25, the Top honours for International Commerce Olympiad were as under-

INTERNATIONAL COMPETENCY TEST

...Nurturing Future Readiness

CTF's Legacy of Educational Innovation

The Commerce Teachers' Foundation (CTF) is widely acclaimed for its pioneering contributions to education. Since its inception in 2007, CTF has undertaken numerous impactful initiatives for the professional growth of teachers and the academic advancement of students.

Addressing a Critical Gap for Class X Students

In 2023, CTF launched its first-ever initiative specifically for Class X students, recognizing a critical gap and lack of comprehensive platforms to assess and develop competencies in Mathematics, English Language, General Awareness, and Reasoning. This marked a proud beginning for CTF in Class X assessments, and the response was overwhelmingly positive.

Vision Behind ICT: Blending Board & Competitive Readiness

The vision behind the International Competency Test (ICT) – 2023 was to support students in their board examination preparation while also equipping them for future competitive exams. The test aimed to enhance students' academic competitiveness by strengthening their conceptual understanding across key subjects.

It is an honour to note that many renowned schools recognized the value of ICT-2023 and participated with large numbers of students. Their involvement further validated the need for such an initiative and encouraged its continuation.

Expanding the Initiative to Class IX in 2024–25

Encouraged by the resounding success of the first International Competency Test, CTF expanded the initiative to include Class IX students in 2024–25. We are pleased to share that this new expansion also received a highly positive response.

Honouring Excellence: Scholar Excellence Award

The following students are among the top rankers and have been honored with the “**Scholar Excellence Award**” for their outstanding performance in **CTF's 2nd International Competency Test (2024–25)**.

INTERNATIONAL COMMERCE OLYMPIAD -2024

What Mentors speak...?

“In today’s dynamic and competitive world, it is crucial that commerce students go beyond textbooks and cultivate skills that set them apart. The International Commerce Olympiad (ICO) offers precisely that opportunity. More importantly, ICO fosters a mindset of curiosity, resilience, and adaptability. Such qualities are essential for success in any business landscape. Platforms like ICO are not just competitions, they are launchpads for future innovators, leaders, and change makers in the commerce domain.”

Dr. Bhavna Chawla (Hod Business Studies)

St. Joseph Convent Sr. Sec. School, Idgah Hills, Bhopal

“The Commerce Olympiad is a transformative platform for students, fostering academic excellence and real-world application of commerce concepts. By participating, students develop critical thinking, problem-solving skills, and a deeper understanding of commerce principles. It encourages healthy competition, boosts confidence, and prepares students for future academic and professional challenges.”

Ashok Sharma (Sanskar school)

Jaipur

"The International Commerce Olympiad (ICO) by CTF is a remarkable initiative benefiting lakhs of commerce students. Its competitive structure enhances conceptual clarity, encourages reflective learning, and helps students identify and bridge knowledge gaps. Rewarding participants with certificates and recognizing toppers with medals and trophies greatly motivates students. Conducted professionally and with a vision for excellence, ICO is a prestigious platform for young learners. Kudos to CTF for its impactful contribution to commerce education. The best is yet to come."

Manoj Raj K

Delhi Public School, Warangal, Telangana

"The International Commerce Olympiad (ICO) has been a game changer for students’ board and CUET preparation. Its CBSE-style objective patterns and CUET-like analytical challenges improve critical thinking, speed, and exam strategy. Reviews highlight how participation enhanced performance in school exams and entrance mock test. After ICO, students show stronger time management, sharper insights, and greater confidence facing exams. I highly recommend ICO for serious aspirants."

Divya Jalan

Sunbeam School, Mughalsarai, UP

“It has been my proud privilege to be a member of Commerce Teachers’ Foundation over past six years. I am deeply thankful to CTF team for their Consistent support and unwavering dedication towards enriching the knowledge and competitiveness of students. Thoughtfully curated papers of ICO cover essential CBSE concepts aligned with realistic approach to business. The students find the sample papers provided by CTF incredibly helpful in strengthening their conceptual clarity and boosting confidence. I congratulate all the winners of CTF ICO and wholeheartedly recommend the commerce students to opt for ICO”.

Smt. Pradnya Shilledar

Bhavan’s B. P. Vidya Mandir, Civil Lines, Nagpur. Maharashtra

“The International Commerce Olympiad (ICO) has been instrumental in enhancing students' understanding of commerce subjects. By participating in ICO, students develop critical thinking, analytical abilities, and problem-solving skills. The Olympiad boosts confidence, prepares students for board exams, and readies them for future competitive exams like CUET. Students receive recognition and awards, motivating them to excel. It's an invaluable experience that benefits students in their academic and professional pursuits, setting them up for success in their chosen fields. ICO is a game-changer.”

Ms. Charvi Nayyar (PGT Commerce)

Amity International School, Saket, New Delhi

“The International Commerce Olympiad is a remarkable initiative of CTF that deepens students' understanding of commerce while enhancing analytical thinking and conceptual clarity. It aligns seamlessly with academic curricula and encourages learners to think beyond textbooks. As an educator, I see it as a powerful platform that nurtures exam readiness and cultivates future-ready commerce professionals.”

Ms. Priya Singhal (PGT - Accountancy)
Whitefield Global School, Bangalore

“It is always a pleasure to be the part of the Commerce Teachers Foundation. The pattern of the test conducted by CTF is very much contemporary and fulfils the need of the hours for the students. It immensely helps them cherish and sense as to how they will prepare for board and other examinations conducted by competent authority. We would always be supporting CTF in pursuit of fulfilling the dreams of students.”

Manoj Kumar Pandey (Coordinator for CTF-ICO)
Delhi Public School, Ruby Park, Kolkata

“I'm thrilled to share that our students participated in the International Commerce Olympiad (ICO) organized by Commerce Teachers Foundation (CTF). This global platform tested their commerce and business acumen, fostering critical thinking and problem-solving skills. We're proud of their achievement and the experience gained, which will benefit their future endeavors.”

Ms. Surbhi Jindal
DAV Public School, BRS Nagar, Ludhiana

“A huge thank you to the organizers for putting together such a well-structured and engaging event. The variety and depth of challenges pushed participants to think critically and creatively. It was evident that a lot of thought and efforts went into crafting each challenge. CTF organisation unite the commerce community, foster learning, and highlight the value of collaboration.

Mrs. Pankaj Vohra (PGT Commerce/HOD)
Jankidas Kapur Public School, Sonipat

“The International Commerce Olympiad stands for “Intelligence”, “Competitiveness” and “Outstanding” performance. Conducted by CTF, this Olympiad plays an invaluable role in guiding students achieve these goals. It integrates the efforts of all learned teachers of the subjects and brings it for the students in a very simple way through its various publications and online material. I must say that it is the Manthan of the Ocean by the teachers to bring out Nectar for students.”

Mrs. Neelam Gupta (HOD Commerce)
Greenway Modern School, Dilshad Garden, New Delhi

“I would first like to appreciate and congratulate “CTF” for its remarkable success in the conduct of 16th International Commerce Olympiad. Our school is participating in this prestigious event for the consecutive 4th year. The efforts taken by the organisation are commendable. The commitment of CTF in organising this International Commerce Olympiad both online and offline is truly inspiring. It also serves as a morale booster for the students appearing for the Board. I wish the “CTF” and the organisers, a continued success in their future endeavours.”

Mrs. M. Sornam (PGT Accountancy)
D.A.V. School Adambakkam, Chennai

“The Commerce Olympiad has proven to be an exceptional platform for our students. It goes beyond textbooks, encouraging learners to apply theoretical knowledge in practical, real-world contexts. I've seen students become more engaged and enthusiastic about subjects like economics, business, and accountancy. Their analytical thinking, decision-making, and problem-solving skills have improved significantly. I strongly recommend every commerce student participate—it's a valuable step toward academic and professional excellence.”

Ms. Ruchira Mutha (Teacher - Accountancy)
Udgam School for Children, Ahmedabad

INTERNATIONAL COMMERCE OLYMPIAD : 2024-25

What Rank Holders speak...?

“CTF’s International Commerce Olympiad is serving as a vital link between what students have been taught and what they have learnt. This Olympiad enhances students' grasp of essential commerce concepts while promoting critical thinking and problem-solving skills. It sparks a deeper interest in subjects like Economics, Business Studies, and Accountancy, helping students build confidence and sharpen their analytical abilities. Kudos to CTF for successfully achieving their goals.

Divyansh Aggarwal

(ICO : 2024 Rank Holder – XI)

Vikas Bharati Public School, Sector-24, Rohini, New Delhi

“I feel really honored to be one among the top rankers of ICO - 2024 . This achievement is the result of consistent efforts, hard work, dedication, my passion for commerce and the blessings of Almighty God and my parents. ICO’s high-quality, conceptual questions in Accountancy and Business Studies helped me perform well in class XI final exams and laid a strong base for CUET and other entrance exams. It truly boosts confidence and sharpens analytical thinking of students. I express my gratitude towards CTF and Principal mam for providing this golden opportunity to participate in this prestigious event.”

Aayaan Ali

(ICO : 2024 Rank Holder- XI)

St. Cecilia's Public School, Vikas Puri, New Delhi

“I gave International Commerce Olympiad in 2024 and secured third rank . I would like to thank CTF for taking such initiative for development of students. It helped to test our knowledge in all subjects relating to commerce including general awareness. It also helped me to build a strong base and know the importance of concept rather than rote memorization of topic. I would also like to thanks my school teacher Ms. Nikita Goel for giving me this wonderful opportunity to enrol with CTF’s ICO”

Avika Aggarwal

(ICO : 2024 Rank Holder- XI)

SNEH International School, Vikas Marg, New Delhi

“Participating in the CTF Olympiad was a game-changer for me. It tested my understanding of core commerce concepts in a real-world. Scoring a high rank boosted my confidence and showed me how exciting and dynamic commerce can be. I’d highly recommend it to any student looking to sharpen their skills and compete with a lot of other like minded students.”

(ICO : 2024 Rank Holder -XI)

Jankidas Kapur Public School, Sonipat (Haryana)

“Taking part in the International Commerce Olympiad (ICO) has been a genuinely rewarding experience. The process of preparing for the exam helped me strengthen my core concepts and also proved to be extremely useful while studying for my CUET and board exams. Being part of such a competitive platform pushed me to revise more thoroughly and aim for greater clarity and precision. I’m truly grateful for this opportunity, and being named a top ranker has made the whole journey even more fulfilling”

FELICITATION CEREMONY

— A Prestigious Initiative by CTF —

Honouring ICO Toppers and Their Mentors

Since its inception, **Commerce Teachers' Foundation (CTF)** has taken several **pioneering initiatives** aimed at the holistic development of both teachers and students. Among these, one of the most notable and **prestigious initiatives** is the **Felicitation Ceremony**.

First organized in **September 2008**, the **Felicitation Ceremony** was established with the vision to **honour meritorious students** and their **dedicated teachers**, acknowledging their hard work and inspiring them to continue their pursuit of excellence.

Over the years, this grand event has become a **symbol of professional excellence, recognition**, and motivation within the fraternity of commerce educators. It has now become a cherished tradition to organise this ceremony annually, honouring the Rank Holders of the **International Commerce Olympiad**, their **mentors**, and teachers who have contributed immensely to the exemplary performance of students in the CBSE examinations.

We have been honoured by the gracious presence of distinguished dignitaries from diverse fields including education, government, and industry. Over the years, several eminent personalities have graced our Felicitation Ceremonies with their esteemed presence. Some of them are listed below :

- **Vice Chancellor**, University of Delhi, New Delhi
- **Vice Chancellor**, Guru Gobind Singh Indraprastha University, New Delhi
- **Chairman**, Central Board of Secondary Education (CBSE), New Delhi
- **President & Secretary**, Institute of Company Secretaries of India (ICSI)
- **Registrar**, Guru Gobind Singh Indraprastha University, New Delhi
- **Secretary**, Central Board of Secondary Education (CBSE), New Delhi
- **Member**, National Human Rights Commission (NHRC), Consul General of India, New York, USA
- **Chairman**, NIRC – Institute of Chartered Accountants of India (ICAI)
- **Director, Board of Studies**, Institute of Chartered Accountants of India (ICAI)
- **Vice President**, National Stock Exchange of India
- **Director**, Institute of Cost Accountants of India (ICAI-CMA)
- **Dean**, Delhi School of Economics, University of Delhi
- **Dean**, Faculty of Management Studies (FMS), University of Delhi
- **Principal**, Shri Ram College of Commerce (SRCC), University of Delhi
- **Principal**, Shaheed Sukhdev College of Business Studies, University of Delhi
- **Chief Financial Officer**, Federation of Indian Chambers of Commerce and Industry (FICCI)
- **Professors from NCERT, Renowned authors and academic experts**

This annual event continues to uphold CTF's commitment to **recognizing excellence** and fostering a culture of **academic achievement and inspiration** across the country.

3rd INTERNATIONAL COMPETENCY TEST 2025-26

...Designed to Excel

“Commerce Teachers’ Foundation” is popularly known for its pioneering initiatives. Since its inception it has taken many leading initiatives for teachers and students. In 2023 one such initiative was taken First time for class 10th students, as it was observed that there was no such platform for them, where their competencies are developed and evaluated comprehensively in view of Mathematics, English Language, General Awareness and Reasoning.

Inspired by huge success of CTF’s very First International Competency Test 2023, the team CTF decided to introduce ICT for class IX students too in the year 2024-25. After the grand success of ICT 2024–25, we are delighted to announce that CTF is now fully geared up to conduct ICT for the academic session 2025–26, reaffirming our unwavering commitment to educational excellence.

CTF’s International Competency Test – Unlocking Students’ Potential

- CTF’s International Competency Test (ICT) is conducted at the international level.
- It helps **students know where they stand** in the competition.
